

32nd Annual Pancake Breakfast

come enjoy a short stack for a TALL cause,
the Point Reyes Disaster Council!

Sunday October 28th, 2018

8-11:30am

Pt. Reyes Firehouse

Adults \$8 / Kids \$4
(Kids 6 and under are free)

Dear West Marin Neighbors,

Please join us for the 32nd Annual Pancake Breakfast supporting the Point Reyes Disaster Council!

Point Reyes Disaster Council is a neighbor helping neighbor enterprise working under the direction of Marin County Fire Department. Your healthy appetites and generous contributions will support the training and equipment needs to better prepare West Marin for the next disaster. The donations received will also support recruitment and training of CERT (Community Emergency Response Team) members and most importantly, you!

Community benefits include:

- Access to disaster first aid, running a shelter and shelter training for West Marin School
- Ongoing disaster radio system drills and upgrades
- Mobile Red Cross trailer for extra shelter supplies
- Ongoing funding of KMWR-West Marin DC communication van
- Partnership with Coastal Health Alliance for medical response
- Support for West Marin School's "Get Ready" 5th grade class
- Developing horse evacuation plans
- Plans for Mobile Marin Humane Society trailer
- Collaborating with Marconi Conference Center as a satellite shelter
- Supporting Marin Medical Reserve Corps-First Aid for Disaster Response workshops

Point Reyes Disaster Council has been generously supported by our neighbors in the past and we want to recognize all of you and your generosity. We are proud to partner with local businesses to help make this event a huge success. We look forward to seeing you October 28th, bring your appetite!
