9th annual Point Reyes Birding & Nature Festival

## Live Bird Ambassadors & Family Activities

Calling all families with fledglings! Bring your brood and join us to learn more about bird life this spring. Our free Youth & Family Programming will kick off with a special live bird presentation from The Bird Rescue Center, followed by activities including a barn owl pellet dissection table, touch table and coloring station.

Made possible through the generosity of Friends of the Festival: Carolina Labs, Pellets, Inc., Side Street Kitchen & Station House Cafe
