

You are invited to a panel discussion with Marilyn Schlitz, social anthropologist, following the showing of her film:

Death Makes LIFE Possible

West Marin Senior Services and SGVCC present the film
on **Monday, June 20th @ 6:30pm**
at San Geronimo Valley Community Center

“Death Makes Life Possible” asks the question:

“Could facing our mortality inspire us to live our lives more fully?”

The film expands our perspectives on the ultimate mystery facing each of us. When we release our fear of death, we open to an immensely richer life here and now.

How do we incorporate this profound insight into our everyday lives? Dr. Marilyn Schlitz presents a wealth of teachings and practical guidance on how to turn this taboo topic into a source of peace, hope, connection, and compassion.

Join charismatic Dr Schlitz, in person, along with WMSS staff and representatives from Hospice by the Bay and the Marin Commission on Aging for discussion after the 60” film.
