

*Gallery of Art
March 4th—April 12th*

***Mind-Scapes**
By Lorraine Almeida*

***Opening Reception: March 10th
2:00 pm ~ 4:00 pm***

“Art as a Process of Active Meditation”

Lorraine has spent years cultivating her understanding of how to reveal her inner truths. It is through her unique process of creating her work, that she can see her thoughts and feelings come to life. In addition to Lorraine’s commitment to art, she has a long time interest in spirituality, encompassing the world’s mythology, mystics, meditation, and religion.
