Morey Nelsen is a retired engineer living in Stinson Beach with his wife Susie. One of his favorite activities is to drive his '56 Oldsmobile to Gross Field in Novato, climb into his '41 Piper Cub, takeoff and photograph the North Bay area. Morey was raised in Fairfax and San Anselmo. He and Susie have two children and two grandchildren and have lived full time in Stinson Beach since 2009. When he is not flying, Morey serves on the Board of Directors for the Stinson Beach County Water District and volunteers for WMSS.
